DETAILED ACTION

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 29 August 2007 has been entered.

Claim Rejections - 35 USC § 102

Previous rejections based on 35 USC 102 are now withdrawn.

EX PARTE QUAYLE

This application is in condition for allowance except for the following formal matters:

Claims 2,8,10 and 13 objected to under 37 CFR 1.75(c), as being of improper dependent form for failing to further limit the subject matter of a previous claim. Applicant is required to cancel the claim(s), or amend the claim(s) to place the claim(s) in proper dependent form, or rewrite the claim(s) in independent form. If the first protective film is spaced apart from the transparent electrode in the first drain contact hole by the second protective film, it is inherently smaller. Please see Applicant's own fig. 4.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 25 USPQ 74, 453 O.G. 213, (Comm'r Pat. 1935).

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

Allowable Subject Matter

Claims 1,3-7,9,11,12,14 and 15 are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding claims 1 and 9, the prior art fails to disclose or suggest the device as claimed. Specifically a transparent electrode connected to the drain electrode via the first and second drain contact holes, wherein the first protective film is spaced apart from the transparent electrode in the first drain contact hole by the second protective film.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
